Greeting Mr. Guillen,

This letter is to commend you on your professionalism and the excellent service you provided for the Kalika Judson Wedding that took place at Wildwood Acres Resort in Lafayette, Ca on October 8, 2006.

Despite your hectic night prior not to mention the craziness of the day, you were courteous, calm and above all prompt. These qualities along with the fact that you kept your promise to personally take care of this booking made a big impression upon me. Your patients, personality and guarantee of "top notch service" are what sealed the deal.

Above all Limos was just that, above and beyond all with, "top notch, high class service". When in need of limousine service for others, or myself Above All Limos will be "Above All " on my list!

Sincerely,

Darlene R. Conwell
